3. No student shall be allowed to disrupt the learning atmosphere for other students.

Video and/or audio recording devices may not be used at school without administrative approval. The school corporation retains the right to inspect such devices if there is a reasonable suspicion that the device is being used to send, share, view, or possess pictures, text messages, emails, or other material of a sexual nature in electronic or any other form. A student who possesses, transmits, or displays such material of a sexual nature on his/her cell phone at school or a school activity can be suspended or expelled from school. This activity being defined under statute I.C. 35-42-4-4.

Bullying

Bullying will not be tolerated at Clinton Prairie Elementary. This applies when a student is:

1. On school grounds, immediately before school, during school hours, immediately after school hours, or at any other time the school is being used by a school group.
2. Off school grounds at a school activity, function, or event; or
3. Using property or equipment provided by the school.

Bullying is defined as systematically and chronically inflicting physical hurt and/or psychological distress on one or more students. It must meet all three of the following criteria.

1. Planned Behavior
2. Repeated Behavior
3. Imbalance of Power or Sense of Entitlement

- **Physical Bullying:** involves hurting a person's body or possessions. It includes hitting/kicking/punching, spitting, tripping or pushing, taking or breaking someone's things, and making mean or rude hand gestures.
- **Verbal Bullying:** involves saying mean things. It can include teasing, name-calling, inappropriate sexual comments, taunting, or threatening to cause harm.
- **Social/Relational Bullying:** involves hurting someone's reputation or relationships. Social bullying involves telling other children not to be friends with someone, leaving someone out on purpose, spreading rumors about someone, or embarrassing someone in public.

Electronic/Written Communication: involves cyber-bullying, collective or group note writing, any bullying undertaken through the use of electronic devices (computer, cell phones).

Discipline

A breach of discipline may result in reprimand, detention, probation, referral to special personnel in the school, parent conferences, suspension, expulsion, exclusion, or any other disciplinary action deemed appropriate by school officials.

Attendance

Regular attendance is an important factor in establishing a good scholastic record. Work missed due to an absence is sometimes difficult or impossible to make up. Many school activities, such as films, demonstrations, guest speakers, convocations, and special classes cannot be substituted with homework. Therefore, it is the joint responsibility of parent and student to make sure attendance is regular.

Parents/Guardians are asked to call the school to report an absence. Arrangements can be made at that time to pick up work. Homework may be sent home with a brother, sister, or neighbor.

Policies

1. If the parent/guardian does not call the school when his/her child is absent, a note **must** be sent with the child upon his/her return to school.
2. After five days of unexcused absences in a given school year, parents/guardians will be notified by mail concerning the number of school days missed.
3. Parents/Guardians may be requested to attend a conference with the teacher and administration as well as sign an "Attendance Contract" following the eighth unexcused absence.
4. Based on updated attendance guidelines from the Chief State Attendance Officer, Indiana Code 20-20-8-8, 20-33-2-25, and SEA 338 requires Clinton Prairie Elementary School to report students who meet the following requirement to the intake officer of the juvenile court or the department of child services.

Habitual truancy, which includes students who have been absent ten (10) days or more from school within a school year without being excused or without being absent under a parental request that has been filed with the school.

5. **Full Day Absences** - An absence will initially be marked as "Unexcused" and can only be changed to "Excused" by office staff when a legitimate reason has been received. Phone calls and notes **MUST** be forwarded to the office to verify absences. The following list serves as legitimate reasons for being out of school.
 - Illness verified by note or call from parent/guardian
 - Illness verified by note from Physician
 - Family funeral
 - Maternity
 - Military Connected Families (e.g. absences related to deployment and return)
 - Pre-Arranged Family Absence

Excused pre-arranged absences may be approved only for students whose parents/guardians have contacted school officials in advance. For these absences to be approved, the following criteria will be considered:

1. the student has a good attendance record
 2. the student's grades are satisfactory;
 3. the parent/guardian must accompany the student;
 4. all days count against the attendance limit; and
 5. Pre-arranged family absences will not be granted for the day before or the day after Fall Break, Thanksgiving Break, Christmas Break, and Spring Break, during ISTEP+ testing, or if it causes the student to exceed ten (10) days of absences in a given year.
6. **Half Day Absences** - A student will be counted absent/present for school purposes based on the times below.
 - A student arrives after 11:45 a.m. and remains until dismissal
 - A student is present at 8:15 a.m. but leaves prior to 11:45 a.m.
 7. **Tardy** - A student will be marked tardy according to the following times.
 - A student arrives between 8:15 a.m. – 11:45 a.m. and remains until dismissal.

A student leaves for the day between 11:45 a.m. – 3:00 p.m.

Dress Policy

Clothing should be comfortable, modest, in good taste, and suitable for school. No clothing or hairstyle will be allowed that is disruptive, distracting, demeaning, or promotes violence. Clothing which is offensive or promotes the use of items that students cannot use at school, such as alcohol or tobacco products, will not be permitted in school.

- All shorts, skorts, and skirts must cover the thigh and be of appropriate length (no shorter than the student's fingertips when the arms are at their side). **Shorts and sandals are not allowed to be worn between fall break and spring break. During this time the weather is normally not favorable to wearing shorts and flip-flops.**
- No pajamas, loungewear and/or slippers may be worn to school. On special occasions, the administration may give approval for these to be worn.
- Shirts shall not have any rips or tears. Basketball jerseys and tank tops cannot be worn without a T-shirt underneath. No underwear or midsection flesh can be visible, including when the student raises his/her arms above his/her head. Also, shirts or blouses that expose the midriff are not allowed. Sleeveless tops must cover the shoulder area, which is defined as the area from the neck to the point of the shoulder.
- Pants may not have rips or holes that expose skin or undergarments. Trousers must be worn at the waist and must be of proper length, which prevents the student from walking on the pant legs.
- Some types of dress and grooming habits, such as beach wear, extravagant dress, grubbies, bare feet, body and clothing odor, and/or unclean or ungroomed hair, detract from a learning atmosphere and will not be permitted in school.
- Facial piercing shall be limited to the ears only.
- Due to safety concerns during recess time, flip-flop style sandals and open toed shoes will not be allowed. Any style of shoe worn will need to cover the student's toes and have a back or backstrap on the shoe.

Students who dress inappropriately will be given a warning, and asked to change into appropriate attire. After the first warning, for inappropriate attire, future incidents will be handled as misconduct and may be subject to disciplinary action.

Visitation and Student Pick Up

- All visitors must report to the office.
- Short-term parking is available in front of the school from 8:30 a.m. until 2:30 p.m. Please park on the west side of the building if you will be here long-term or are chaperoning a field trip.
- Students, homework, and assignments **must** be picked up at the office.
- Due to COVID concerns visitors will not be allowed to go beyond the office.
- Parents/Guardians picking up student(s) prior to dismissal time must sign student(s) out on the computer, using their driver's license, in the main office.

Student Drop off

- Students arriving at school after 8:15 a.m. **must** check in at the office before going to the classroom.
- Parents/Guardians are to drop off and pick up students on the west side of the building in the area designated for elementary drop-off and pick-up.
- If your child is eating breakfast, you should enter the North drive and drop your child off at Door W 15. The doors will open at 7:50am and children can enter to eat breakfast.
- If your child does NOT eat breakfast, you should enter the South drive and drop your child off at Door W 7. The doors will open at 8:00am.
- Under no circumstances should a parent/guardian drop off a student in front of the school while there are buses loading or unloading. Students not riding the bus home at dismissal time will be escorted by an adult to the same point at the end of the school day.

After School Back Door Pickup

Due to the increased number of transfer students and after school back door pickups, the elementary is experiencing a very large number of individuals in the car line. Our number one goal each evening is to safely and efficiently get each student matched up with a parent and home safely. It has become more and more difficult to safely match-up students and parents after school.

All parents/guardians picking up students after school are asked to stay in their vehicle in line and we will bring all the students out to be picked up. We fully understand that this may cause for a little longer wait during student pick-ups. However, it will allow staff the ability to get students where they need to be in a safe manner. This will also eliminate students walking between vehicles as they go to parked cars in the lot.

The back doors will not be unlocked until 3:05 when the students are dismissed. If you have to pick up your child for an appointment earlier in the day, please call the office and we will have them in the front office for you to pick-up.

Again, our number one goal is the safety of Clinton Prairie Elementary students.

Reminders:

- Please enter the school grounds through the south driveway.
- Please follow the arrows as shown below while picking up your children.
- Please pull all the way up to the stop sign and wait for the children to be dismissed.
- Exit the south drive.
- Please be extremely careful when leaving school grounds. Students from the high school will be dismissing at the same time.

Bus Transportation

It is our philosophy that riding a school bus is a privilege, not a right. Safety demands that students behave as young gentlemen and young ladies while on the bus. Each student will be assigned a seat on the bus by the driver, will be held responsible for any defacing or writing on that seat, and will also be responsible to keep that area of the bus clean of paper and trash. Students are to remain quiet enough not to distract the bus driver, to remain in their seats while the bus is in motion, not to extend arms or other parts of the body out the window, or throw objects about in the bus or out the windows. Remember the bus driver is in charge of his/her bus, and if students wish to ride the bus, they will follow his/her instructions.

Buses arrive at school each morning at 7:55 a.m.

It is essential that students have consistent travel to and from school each day. Due to contact tracing efforts, we will be implementing assigned seating in many places throughout the school. Students riding the bus will be assigned a seat and will sit with family members to assist in tracing efforts. Students will not be permitted to change bus arrangements or switch to a different bus as all seats are assigned ahead of time. Passengers will be required to wear a face covering during the bus ride as this is an area that is very difficult to maintain social distancing measures. Face coverings will be provided to any student who forgets to bring their own. Failure to comply may result in the loss of school bus privileges for the student.

If a parent boards a school bus, without being invited onto the school bus by the bus driver, it is a Class D Felony.

Large band instruments, baseball/softball bags, bats, skateboards, golf clubs, or any large items are not allowed to be transported on the bus. Items must be able to be carried on the student's lap and not extend out into the aisle or into the seat next to him/her.

Rules for Riding the School Bus

1. The student shall ride the same bus route both morning and afternoon, boarding and disembarking at the designated place. Students must have a note from their parents in order to ride a bus they are not assigned to.
2. The student shall be waiting at the designated boarding place when the bus arrives. Students must wait until the bus comes to a complete stop before approaching it to board.
3. Only items that can be placed on a person's lap or under the seat will be permissible on the school bus. Large items such as guitars and baseball bat bags are not allowed on the school bus. Parents are responsible for transporting large items to and from school.
4. If, for any reason, a student misses the bus at the regular pick-up, do not try to catch the bus from behind or chase after the bus to have the student put on the bus. The student may be taken to another pick-up point where the bus has not yet arrived or take the child directly to school.
5. If a student must cross in front of a bus, the student should cross at least 10 feet in front of the bus, out of the 10 foot "danger zone." Students should never cross behind the bus.
6. Whenever boarding the bus, the student should be seated immediately as designated or assigned by the bus driver and should remain seated until the bus reaches its destination.
7. No windows will be opened or closed unless the student has secured the permission of the driver.
8. Eating and drinking are not permitted on the bus.
9. The following will not be tolerated:
 - a. hitting, tripping, holding
 - b. throwing objects in or at the bus
 - c. fighting
 - d. loud or abusive language
 - e. littering
 - f. eating or drinking on the bus
 - g. destruction of public property
 - h. running after the bus after getting off
 - i. chasing the bus on a bicycle
 - j. moving from place to place on the bus
 - k. not assuming a safe riding position
 - l. balloons on the bus

Change of Address/Telephone

Please notify the teacher and school office of any change of address or telephone numbers as soon as possible. It is most important that our information be kept current should an emergency occur at school. You may also login to Harmony and update the information at your convenience.

Withdrawal of Students

If you are moving and are withdrawing your child from school, please call the school a few days prior to the withdrawal date. This will give ample time to complete the necessary paperwork, etc. Your cooperation is always greatly appreciated.

Bookstore

Each morning from 8:00 – 8:15 a.m. our bookstore will be open to sell supplies to the students. Paper, pencils, pens, erasers, and other necessary school items will be sold at the bookstore, which is located by the office.

Textbooks

Textbooks issued to you are the property of the Clinton Prairie Elementary School. They should be used with care and returned in good condition. Students are responsible for books which are lost, stolen, or damaged beyond use.

Report Cards

At the end of each nine weeks, our elementary school will issue a report card which indicates the child's academic progress, attendance, habits, and attitudes. A midterm report is issued at midpoint. Supplementary information is given by letters and conferences.

Conferences

Parent/Teacher Conference Day

Due to COVID there will not be a designated parent/teacher conference day at this time.

Conference with the Teacher

If you desire to confer with a particular teacher other than at the regularly scheduled conference, you should send a note or call the school office to schedule a time.

Conference with the Principal

If you desire a conference with the principal, it is best to call the office for an appointment. Due to his/her various duties throughout the building, he/she may not always be available for an unscheduled conference.

Promotion, Assigning, and Retention of Students

In grades K-3, students will be promoted to the succeeding grade level when they have consistently demonstrated mastery of the Indiana Academic Standards at their current grade level. Furthermore, students must meet attendance guidelines as stated in the Attendance Policy. Results of standardized tests, previous retention, and parent input will also be considered as criteria. ***In accordance with Public Law 109 which requires the evaluation of reading skills for students who are in grade three, third grade students who do not demonstrate mastery on the IREAD-3 will not be promoted to fourth grade.***

Students in grades 4-6 will be promoted to the succeeding grade level when they have passed at least four of the academic subjects (Reading, English, Math, Social Studies, and Health/Science) on the final end-of-the-year cumulative report card. Furthermore, students must meet the attendance guidelines as stated in the Attendance Policy. Results of standardized tests, previous retention, and parent input will also be considered as criteria.

Students who have not mastered all the Indiana Academic Standards, but have good attendance and are working to the best of their ability, will be “assigned” to the next grade level.

The principal shall make a final recommendation regarding promotion, assigning, or retention based on that which is judged to be in the best interest of the child. Appeals may be made in writing to the principal who will make the final decision in all appeal cases.

Lost and Found

A lost and found box is located outside the main office. When an article has been lost, a student should check the lost and found box. When visiting the school, parents are encouraged to check this area. Parents can help ensure that missing coats, sweaters, boots, etc., are returned to their owners by placing names or name labels on their child’s clothes.

Emergency Drills

Fire, tornado, and lockdown drills are conducted throughout the school year. Students are expected to follow adult directions and conduct themselves in a quiet, orderly manner.

Parties

Due to COVID classroom parties will not take place like in the past. Each classroom will make a determination on how their party may look. Anything food that does come in has to be individually prepackaged, from the store.

If a parent wishes to send a treat for his/her child’s birthday, the teacher will decide when the treat will be distributed. The treat will have to be individually prepackaged, from the store.

Students are asked not to distribute party invitations unless all classmates are invited.

Library

Each student will have the opportunity to check out library materials during their weekly circulation time. Students may also return and check out items any morning until 8:20. Students in kindergarten through third grade may check out one book at a time. Students in fourth through sixth grades may have one book and one magazine. Students in fifth and sixth grades may have books for two weeks. All other students' books will be due in one week. Students may renew books twice. Magazines cannot be renewed.

If a student has an item overdue, they will not be allowed to check out additional materials until the overdue item is paid for or returned. A statement will be given to the student if an item is more than six weeks overdue. Paying for an item will allow the student to again check out library materials. If the book or magazine is later returned in good condition, a refund will be made.

Students will be informed by their teacher what the reading requirements are for their classroom and grade level. Fourth through sixth grades typically have specific expectations for passing quizzes over books. We use Scholastic Reading Counts software to test reading comprehension. All students are encouraged to find books that are written at their reading level and are of interest to the student.

Band

Any sixth grade student may participate in band. The band teacher will assist students in the selection of an instrument during the school year.

Emergency School Closing

Closing or delay of school due to weather, emergencies, etc., will be announced as soon as possible on the following radio and television stations: WILO (1570 AM), WSHW (99.7 FM), WKOA (105.3 FM), WRTV (Channel 6, Indianapolis), WTHR (Channel 13, Indianapolis), or WLFI (Channel 18, Lafayette). The closing or delay of school will always accompany a School Reach (automated phone calling system) phone message.

In the event of any early dismissal, the directions given on the enrollment card will be followed. A School Reach automated phone message will also be sent to parent/guardians. Please be certain that your child is aware of these arrangements.

PLEASE do not call the school.

Recess

If you feel that it is necessary for your child to remain indoors at recess, you must send a note to the classroom teacher. The note is for no longer than three days. If your child needs to stay in longer, you must send another note.

Outside Recess

Outdoor play is essential to your child's well-being. Please be sure that your child arrives at school dressed for outside play every day. We monitor the temperature and playground conditions throughout the day and determine just before recess, if play will be inside or outside. We make every attempt to take the children outside every day. If your child must stay inside during recess, please send a note to the teacher.

- All equipment will be used as it was designed.
- Students will not engage in any unsafe activities on the equipment.
- Students will not play tackle football.

- Teachers will review these rules with students.

Inside Recess

The gym is often used for indoor recess. Students must be careful to avoid running into one another and throwing balls too hard. Students will be expected and must wear tennis shoes when playing on the gym floor. Any student without tennis shoes will not be allowed to participate. The following rules will apply in the gym:

- All equipment will be used as it was designed.
- Students will not engage in any unsafe activities.

- At the end of recess, students will line up and immediately get quiet when the whistle blows.
- Teachers will review these rules with students.
-
- Inclement weather, excessively cold wind chill, or unsuitable playground conditions may cause recess to be indoors. The building principal will determine whether recess will be inside or outside on a daily basis, keeping the health and safety of students in mind.

Athletic Policy

Fifth and sixth grade students may participate in the elementary sports programs. Volleyball, basketball, and track are offered to the girls. Boys may participate in basketball, wrestling, and track. Second, third, fourth, fifth, and sixth grade boys may participate in youth football. Fourth, fifth, and sixth grade boys may participate in the developmental basketball league. Elementary students may only participate in junior high programs as stipulated in the junior/senior high athletic policy.

Schoolwork will be monitored by the teachers and coaches. A student will not be eligible to participate in a sport if he/she fails to maintain passing grades in at least five of the academic subjects (Reading, English, Math, Social Studies, Spelling, and Health/Science). Eligibility will be based on nine-week grades, not semester averages. However, that student may continue to attend practices. If failing grades are improved by midterm, the student may become eligible to participate in athletic contests once again.

All students participating need to have a physical after April 1 of the year prior.

Lunch Program

Breakfast and lunch are served daily in the cafeteria. The cafeteria has a prepaid, computerized system. Money is collected each morning in the office. Parents are asked to put the money in an envelope with the student's **first name, last name, and four digit lunch pin**. Milk can be purchased from the student's account, or he/she may pay cash.

Menus are sent home monthly and available on the elementary website. It is the parent's responsibility to see that students come to school with lunch money or their lunches. Students with low or no balance will receive a peanut butter and jelly sandwich and milk instead of a regular lunch for a limited time. Below is a summary of the charging limits.

- Full Pay Students - \$2.50 (lunch) & \$1.60 (breakfast)
- Reduced Pay Students - \$0.40 (lunch) & \$0.30 (breakfast)
- Students approved for Free – No Charging
- Charging is for Lunch Only – No Charging at Breakfast.

Low Balance letters will be issued Monday through Friday for grades K-6. The low balance letters will be issued to both full pay and reduced paying students. Letters will be issued when the account balance for full pay falls below \$4.00 and reduced pay falls below \$1.50. Please check your child's backpack daily for low balance letters and encourage your child to always bring the letters home to avoid a zero account balance.

Free and reduced breakfasts and lunches are provided to those who qualify. Applications are issued at registration or may be obtained at any time during the school year. The applications may be secured from the school office, or downloaded from the school website.

Children purchasing a school breakfast and/or lunch, who are unable to consume milk or any other food item because of medical or other special dietary needs, must have a current statement from their doctor. The supporting statement must include the special dietary need and what may be substituted. The statement must be updated each school year and be submitted to the Food Service Director.

School Nurse Services in the Elementary

The school nurse wears many hats. She does more than put on Band-Aids, dry tears, and handle emergencies.

- Computerized health and immunization records are kept for each student.
- Vision screening is performed in grades kindergarten, three, and five and any other students that are referred.
- Fourth and fifth grade boys and girls learn about normal body changes.
- Children attending Kindergarten Roundup are screened for immunizations and potential health problems.
